

BUY OR SELL WITH CONFIDENCE

OUR PROMISE

Advanced Home Inspections serves the Tri-State area with Certified and licensed Professional Inspectors trained by the International Association of Certified Home Inspectors (InterNACHI). AHIT (American Home Inspectors Training), prior careers in the construction trades and are licensed vetted professionals, We adhere to the highest industry standards .

We encourage you to attend the last part of your inspection so that we can educate you by describing our process, explaining our findings, pointing out important maintenance items and potential safety concerns, and answering all of your questions. We CARE and want you, our valued customer, to be SAFE, to be satisfied, and to feel educated and at ease about your future home or investment.

Following our evaluation, we will compile our findings in an comprehensive, thorough yet easy-to-read report, which will include detailed descriptions and high-resolution digital photos of any issues we have discovered. We will email you your report within 24 hours (or provide a hard copy upon request), and our job isn't finished until you understand everything in it and are 100% satisfied..
